WORK EXPERIENCE

Retail & Partnerships Manager August 2019 - Present

Arcadia Earth Museum | New York City, New York

- Starting as an Explorer, I quickly rose to Senior Explorer and then Floor Supervisor by December 2019. Furloughed in March 2020 due to COVID-19, I returned as Retail & Partnerships Manager in March 2021.
- As Manager, I run the museum floor, delegate tasks to team members, facilitate their breaks, deliver verbal and written write-ups when necessary, troubleshoot technical issues, and assist our patrons in any way I can.
- As the Head of Retail & Partnerships, I maintain Arcadia's Eco-Market and inventory, communicate regularly with our vendors, develop partnerships with local eco-friendly brands, and educate team members & guests alike of the benefits our products provide for the planet. I also developed a retail incentive program for our team to encourage higher sales numbers.

Face Character & Entertainer August 2017 - December 2018

Disney Cruise Line | Disney Magic (M38.5, M39, & M40)

- As Star-Lord, I would stroll about the ship with Gamora and greet guests of all ages; I'd sign autographs, take pictures galore, and challenge kids to dance battles. I also performed in the Heroes Unite Stunt Show and hosted a late-night adults-only dance party at the Ravager's Club.
- I was also given the opportunity to sing, dance, and create magical dining experiences as Vladimir in the inaugural cast of Rapunzel's Royal Table.
- My second contract was as a replacement character and M40's Captain America; with the assistance of the YA S.H.I.E.L.D. Agents, I led Cap's Avengers Academy program in the Oceaneer's Club.
